

SV SECTOR

Security first!

SV SECTOR is a robust, durable and attractive unique system, made to fill the need of dividing spectator stands.

Its versatility and resistance offers the finest solution in security warranty in sports fields.

Galvanized and Lacquered finish. The standard **SV SECTOR** model is always supplied with a Galvanized finish, but, if required, it can also receive a colour Lacquered finish, RAL colour chosen accordingly to RAL standards: **RAL 6005, RAL 3000, RAL 5010, RAL 7030, RAL 9005 and RAL 9010**. The high quality lacquer finish gives a greater special appearance and durability to the panel.
